## UNION CHURCH SERVICES BEGIN SUNDAY NIGHT.

Union open air Sunday night meetings will begin next Sunday night at 7:30. These meetings will be continued through the summer. They will be held on the corner of Main and Love streets, at the Sam Houston Hotel. The meetings will be evangelistic. There will be plain preaching of the gospel. An opportunity will be given the people who are unsaved, to take a stand for Christ and confess Him before men. It is planned to organize a large chorus choir which will sing revival hymns. The baby organ which was purchased two years ago will again be used. All the people of the town and surrounding country are invited to co-operate in the meeting. Pray for them, tell your friends about them, invite the unsaved to come, and then attend them regularly yourself. The people are asked to bring chairs in order that they may be seated comfortably. However, benches will be provided in sufficient number so that a large number can be seated. People are asked to come in their automobiles, carriages and other means of conveyance. There will be room in the streets to sit in them and hear the service. Rev. William F. Pitts will preach next Sunday night a Gospel sermon and open this summer's campaign of Revival meetings. In case the weather will not permit the meeting to be held out of doors, the meeting will be held in New Providence Church. Remember that there will be an evangelistic meeting next Sunday night regardless of the weather. Pray and attend. Invite the unconverted.
